- Outreach for field work is planned for end of January.
- Outreach for workshops is planned for early February.
- Egg oiling trainings are planned for end of January and NRCS workshops are planned for February and March.

## 3. Outreach:

- Workshops on NRCS programs were held in each District in December. Follow-up contact continues to be made with attendees.
- Attendance was good at all workshops and a significant number of new NRCS applications have been processed.
- A second round of workshops is scheduled for February.

## 4. Engineering:

- An engineering tech began work on NRCS engineering projects on January 2. Currently she is getting extensive training while waiting for computer access.
- A PE has also been hired to provide support to the ag tech and to work on other projects. In addition, an engineering firm, DiPrete Engineering, has agreed to provide additional support and oversight on an as-needed base.
- In addition to NRCS work, this engineering team will be able to do fee for service engineering work for specialized needs.

## 5. Watersheds:

- A list of waterways and waterbodies in ERICD has been compiled. Research and Outreach is underway to identify resource concerns for each. A prioritized list will be submitted to NRCS by 2/28.

## 6. EWP:

- The SCC has been asked to act as sponsors for contracts for 1) The Pocaset River and 2) The Wood, Pawcatuck, and Queen Rivers. Contracts have not yet been signed. Frank Vogel will be administering to projects for the SCC.

C. Appointments to SCC & FFOS:

- A letter to Governor requesting appointments for vacant SCC seats has been submitted.
- There are also vacancies on the FFOS Subcommittee. Those candidates submitted for consideration to previous administration will be contacted to see if they are still willing to serve. All three tax assessors, whose terms expired, have expressed their willingness to continue to serve.

D. RIACD Website:

- A meeting with webmaster was held and she will be developing a new central website on which each CD will have part. Links to separate sites will also be included.

E. MOU/Consolidation Policy:

- A motion was made to accept proposed changes to the consolidation policy: Harriet/Emerson; unanimous.
- Changes adopted do not require any changes to the MOU between SCC and Districts.

F. Other:

- A motion was made to appoint Jean Lynch as Director of NRICD Board. Harriet/Paul; unanimous.
- A motion was made to appoint Emerson Wildes, Walter Elwell and Richard Hart to serve as Directors of ERICD Board: Harriet/Paul; unanimous.

IV. New Business:

A. Fee for Service Menu:

- A preliminary meeting was held and a list of services that are not being currently provided was developed.
- The next step will be to identify existing staffing and potential new staff positions required to provide these services.

B. Staffing:
